### 1. ENGAGEMENT

- 1.1. The Artist has agreed to provide their services in performing the Role as set out in the Key Terms and on the Terms and Conditions set out in this Agreement.
- 1.2. The Agreement commences on the first date of the Period of Service and will remain in force until the end of the Period of Service, which is deemed to include any and all Additional Dates or until the end of the Extension Period whichever is the later, unless earlier terminated. The grant of rights, obligations of the Artist after the Period of Service, confidentiality, indemnities and all other provisions reasonably expected to survive will survive the expiry or earlier termination of this Agreement.
- 1.3. In the event that the Artist chooses to lend out their services via a company (as named in the in Key Terms) (the **Artist's Company**) then any reference to the Artist in this Agreement will be deemed to include and bind the Artist's Company.

2.1. Without limiting the provisions of clause 1.1, the Artist agrees to:

- 2.1.1. Pre-Production Period: provide their services on a first priority but non-exclusive basis with respect to read-throughs, tests, wardrobe fittings, makeup tests, rehearsals, auditions, story/production conferences, publicity sessions and/or interviews, stills and publicity photograph sittings, and the like. - 2.1.2. Principal Photography Period: provide their services on an exclusive basis on the Artist's Anticipated Shoot Dates and for their actual Working Day and on a first priority but non-exclusive basis on the other dates during the Principal Photography Period. Alternatively, the Artist's services under this clause will be exclusive throughout the Principal Photography Period if the Artist is being paid a Weekly Rate or Total Fee;

The Artist will attend Calls punctually and regularly except if prevented by illness or accident or such other reason as accepted by the Producer. If the Artist is unable to attend any Calls due to illness or accident or for any other reason then the Producer must be notified as soon as reasonably practicable of the Artist's unavailability and the reasons for it and in the case of illness or accident the Artist will if requested provide the Producer with a medical certificate from a registered medical practitioner confirming such illness or accident;
- 2.1.5. Alternatively, the Artist's services under this clause will be exclusive if the Artist is being paid a Weekly Rate or if the Extension Period is being used for shooting, rather than post-production;

- 2.2. It is agreed that when the Artist is providing their services on a first priority but non-exclusive basis then they will be entitled to accept other professional acting engagements provided that those engagements do not materially affect their obligations owed in respect of the requirements of the Role. It is further agreed that in the event that the Producer needs to change any of the dates for the periods as previously agreed and as referred to above then they must first discuss the proposed changes with the Artist with it being accepted that the Artist's ability to commit to any such changes will be subject to the Artist's professional availability.

- 2.4. The Artist acknowledges that they are an independent contractor and that this Agreement is a contract for services. The parties also acknowledge and accept that there is no employer and employee relationship between the Artist and the Producer and that the Employment Relations Act 2000 (or and any statutory re-enactment or modification of it) has no application or bearing to this Agreement.

### 3. NUDITY, STUNTS AND DOUBLES

- 3.1. The Artist will only be required to perform nude or semi-nude as part of their performance of the Role if they have agreed to do so in the Key Terms.
- 3.2. Prior to obtaining the Artist's consent to appear nude or semi-nude the Producer will disclose to the Artist the following:

Furthermore, it is agreed that:
  - 3.3.1. with the exception of the final dress rehearsal for camera and lighting purposes, the Artist will not be required to be nude or semi-nude for rehearsals of scenes involving nudity;

- 3.5. The Artist will only be required to perform stunts as part of their performance of the Role if they have agreed to do so in the Key Terms. It is agreed in order to allow the Artist to make an informed decision the Producer will fully disclose the level of stunt required (e.g. level of discomfort and/or perceived danger etc) and its expectations concerning that aspect of the performance. This does not prevent the Producer requiring the Artist to be involved in any special effects scenes, provided the Artist is not required to perform any stunt.

If the safety report recommends that a safety officer be on set at the time a stunt is being performed then the Producer will ensure that a suitably qualified safety officer is on set in addition to the stunt coordinator, where a stunt is being performed.

- 3.8. Where the Artist has not agreed to provide nude or semi-nude scenes or perform stunts then the Producer will be entitled to use the services of a body double for such scenes in substitution for the Artist. If the Producer chooses to use the services of a body double for the Artist in those circumstances, the Artist will be entitled to approve the person used, such approval not to be unreasonably withheld or delayed.
- 3.9. The Producer will not, without the Artist's consent (such consent not to be unreasonably withheld or delayed), use a double for the Artist in acts, poses, appearances, voice or sound effects attributed to or to be attributed to the Role except as provided in clause 3.8 or under the following circumstances:

  - 3.9.5. for long shots or background shots or scenes in which the Artist will not be readily recognisable to the general public or for second unit work;

- 8.4. Travel to and from the Production Office (provided it is within the Free Travel Zone) and the Artist's usual place of residence will not be calculated as part of the Working Day.
- 8.5. Where the Artist is engaged in overtime, travel within the Free Travel Zone is within the Artist's own time and unpaid.
- 8.6. If turnaround is broken by travel time, travel within the Free Travel Zone is within the Artist's own time and unpaid.
- 8.7. In extenuating circumstances, where a Artist is required to begin prior to or is detained to a time that prevents the Artist travelling by reasonably safe public transport from or to the Artist's home (temporary or permanent as the case may be) and the Artist usually travels via such means then the Producer will provide the Artist with proper conveyance to or from the Artist's home.
- 8.8. Travel not covered by this Agreement will be negotiated by the Producer and the Artist (or Agent) and recorded in "Special Conditions" in the Key Terms.
- 8.9. Where the Artist is required to travel out of their usual city of residence, the costs of reasonable travel will be paid for by the Producer unless agreed otherwise. This may include (where required) flights, airport transfers, rental vehicles, taxis or hire of the Artist's own vehicle.
- 8.10. Where the Artist is required to stay away from their usual city of residence overnight, the costs of reasonable accommodation will be paid for by the Producer as will costs associated with the transportation of a reasonable amount of luggage. Transport from the Artist's out of town accommodation to the Production Office or film location will usually (and subject to clause 8.11) be provided by the Producer. Budget and location dependant, the Producer will use its best endeavours to ensure that accommodation is a single room. In addition, Per Diems (if applicable) as set out in the Key Terms will be paid by the Producer to cover such items as meals, laundry and other incidental items.
- 8.11. If Per Diems are agreed, they will be paid in accordance with the Producer's Per Diems policy and in compliance with Inland Revenue Department requirements, including:
  - 8.11.1 the Artist must invoice for per diems, showing the relevant day, date and location that the Artist is claiming per diems for. Per diems will be paid to the Artist's bank account, not to the Agent;
  - 8.11.2 per diems are subject to GST if the Artist is GST-registered;
  - 8.11.3 if the per diems are \$60 or less per day (and the Artist uses the IRD's exemption method of claiming expenses), no withholding tax will be deducted from them;
  - 8.11.4 in exceptional circumstances, per diems may be paid in cash prior to invoice. The Artist must still provide an invoice, itemising the per diems value already received in cash. If the Artist is GST-registered: the cash payment will exclude the GST value; the invoice should include the per diems amount received in cash, plus the GST value; and the extra GST amount will be paid into the Artist's bank account.
- 8.12. As an alternative to 8.9 and 8.10, the parties may agree to a relocation allowance or such other arrangements as agreed between them.
- 8.13. Details for international travel and accommodation will be negotiated between the Artist (or Agent) and the Producer.

- 9.2 The Artist also grants to the Producer any consents required under the Copyright Act 1994 and any statutory re-enactment or modification of it (the **Copyright Act**) (including any consents relating to performers' rights) and irrevocably and unconditionally waives in perpetuity any so-called "moral rights" in respect of the Artist's services on the Production whether arising pursuant to the Copyright Act (including sections 94, 98 and 107 of the Copyright Act) or otherwise arising.
- 9.3 Without limiting the provisions of clauses 9.1 and 9.2 the Artist acknowledges and agrees that:

  - 9.3.3 for the purposes of United States copyright law the provision of the Artist's services is deemed a "work-made-for-hire" for the Producer;
  - 9.3.4 the Producer has the right, but not the duty, to use, adapt and change such Material, or any part of it and to sell, copy, publish, reproduce, record, transmit, broadcast by film, radio, television or by any other means required, perform, photograph with or without sound (including spoken words, dialogue and music synchronously recorded) such Material and to communicate the same by any means now known or hereafter devised, either publicly and for profit, or otherwise;
  - 9.3.5 the Producer is entitled to, and own in addition to, the Artist's services and the Material, all of the results and proceeds of the Artist's services and the Material, including all rights throughout the world of production, manufacture, recording and reproduction by any art or method, whether now known or hereafter devised, and whether such results and proceeds consist of literary, dramatic, musical, cinematographic film, mechanical, or any other form of work theme, idea, composition, creation or product;
  - 9.3.6 the Producer has the right to edit the Artist's portrayal of the Role and may exclude the Artist's portrayal of the Role from the Production at its sole discretion;
  - 9.3.7 the Producer has the right to include or procure the inclusion in the Production of recordings in any language, of the voices of another person or persons speaking the lines and making sound effects of the Artist's visual portrayal of the Role providing that, subject to clause 3.9, the Artist will be given first opportunity to dub in English where such dubbing is in the reasonable control of the Producer;
  - 9.3.8 the Producer has the right in perpetuity and throughout the world to use or authorise others to use the Artist's name, voice, likeness and biography for and in connection with the Production, the soundtrack (including soundtrack album), trailers, and documentary and/or "making of" programmes and all advertising (including the Artist's name and likeness on sleeves, jackets and other packaging for soundtrack albums, DVDs, discs, written publications and the like), merchandising, publicity, and other means of exploitation of any and all rights relating to the Production and any element/s of it provided that photographs of the Artist not taken in respect of the Production or other biographical material will not be used or authorised to be used without the Artist's prior written consent (not to be unreasonably withheld or delayed);
  - 9.3.9 the Producer and/or the distributor/s of the Production will have full and exclusive control of the

- 9.4 Any footage of the Artist's performance (taken during any stage of the Production) shall only be used in the production, promotion and exploitation of the Production or for award ceremonies or for historical, review, reminiscent or educational purposes and not for any other production. For the avoidance of doubt
- 9.4.1 this does not prevent use of the footage in "making of" programmes or use of any behind-the-scenes footage for inclusion as part of an extras package on any DVD or disc or on any other medium (e.g. for download) in respect of the Production and which the Producer is entitled to release provided however that it is accepted that the footage chosen for use will not be of such a nature as could be considered (on an objective basis) to be derogatory to the Artist;
  - 9.4.2 the Producer will not, without the Artist's prior written consent, use footage of the Artist's audition for purposes other than evaluating the Artist's suitability for the Role;

It is agreed that this clause does not restrict the Producer's ability to include product placement within the Production or preclude any sponsorship arrangements, promotion or endorsement of the Production itself or the Producer or the relevant television network (if applicable) and it is acknowledged that these arrangements, promotions or endorsements are permitted without the requirement for further consent or payment to the Artist.

- 9.6 All rights granted or agreed to be granted to the Producer under this Agreement will vest in the Producer immediately once they take effect and will remain so vested whether this Agreement expires in normal course or is terminated for any reason.

## 10 CREDIT

- 10.1 Subject to the visible appearance of the Artist in the Role in the Production, and to the Artist having a speaking or named part, the Producer will accord the Artist a visual and legible credit (in the form set out in the Key Terms, or if not set out in the Key Terms then as the Producer considers, at its sole discretion, appropriate) on the master version of the Production that it provides to the distributors and exhibitors of the Production.
- 10.2 No casual or inadvertent failure by the Producer to comply with the provisions of this clause 10 and no failure of persons other than the Producer to comply with the provisions or with their contracts with the Producer will constitute a breach of this Agreement by the Producer but the Producer shall as soon as reasonably practicable make reasonable efforts to remedy on a prospective basis any such failure of which it has received notice from the Artist provided that the Producer will not be required to incur any legal costs or other material expenses in respect of the same and under no circumstances shall the Company be required to recall any prints or advertising material in respect of the Production.
- 10.3 Unless otherwise agreed between the parties, there is no obligation to accord the Artist any credit in paid advertising and/or publicity, although the Producer may elect, in its sole discretion, to accord the Artist a credit in those circumstances.

## 11 INSURANCE

- 11.1 The Producer will carry such production insurance cover in respect of the Production as they and/or the financiers and/or completion guarantor of the Production deem appropriate.
- 11.2 The Producer is not liable for any loss or damage to the Artist's property occasioned during the term of this Agreement unless such property has been hired by the Producer from the Artist or such property with the has been utilised by the Artist as part of their performance or loss or damage is caused to such property by the negligence and/or fault of the Producer. For the sake of clarification the Artist's property to be utilised in the Production will be listed in the Key Terms.
- 11.3 The Producer may secure in its own name or otherwise and at its own expense, life, health, accident, cast and/or other insurance covering the Artist and other cast or crew and the Artist will not have any right, title or interest in or to any such insurances. ## 12 HEALTH, SAFETY & WELFARE

- 12.1 The parties are committed to complying with the Health and Safety Work Act 2015 (or and any statutory re-enactment or modification of it) (the **Health and Safety Work Act**) and applicable guidelines such as the NZ Screen Sector Health & Safety Guidelines ([www.screensafe.co.nz](http://www.screensafe.co.nz)) (the **Guidelines**) and any guidelines and policies promulgated by the Producer. The Producer shall make available to the Artist any such guidelines and policies, or any other relevant obligations and the Artist will be responsible for ensuring they are conversant with and will comply with the same and with the Health and Safety Work Act and the Guidelines.
- 12.2 The Producer will ensure that trained safety personnel, first aid and safety equipment are supplied in locations or situations where it is believed there is any element of risk to the Artist, and all incidents or accidents will be punctually recorded and reported where necessary under the Health and Safety Work Act and the Guidelines.
- 12.3 The Producer has a commitment to eliminating harassment, including sexual and racial harassment in the workplace. ## 14 SUSPENSION AND TERMINATION OF AGREEMENT

- 14.1 This Agreement may be suspended immediately by the Producer in the event of:
- 14.1.1 any event of force majeure (which for the sake of clarity shall mean the interruption of or material interference with the preparation, production, completion or distribution of the Production by any

event beyond the reasonable control of the Producer. For the avoidance of doubt the inability to secure or provide necessary labour (including as a result of any strike or other labour dispute), power, commodities, equipment, transportation or transmission or technical facilities or the death, breach, disability, disfigurement or unavoidable absence of key personnel rendering services on the Production shall be deemed to be beyond the Producer's reasonable control;

- 14.1.2 any incapacity of the Artist which prevents the Artist from performing or complying with any material term of this Agreement (the **Artist Incapacity**);
- 14.1.3 any failure or refusal by the Artist to perform or comply with any material term of this Agreement at the times and in the manner reasonably required by the Producer (other than by reason of an act of force majeure or Artist Incapacity) (the **Artist Breach**);

The Artist will be entitled only to be paid for the Artist's services provided up until the date of suspension, including payments already invoiced but not yet paid prior to the date of suspension. During the period of any suspension, no fees or other benefits shall accrue, become payable or be provided to the Artist. Unless otherwise agreed by the Producer (such consent not to be unreasonably withheld), the Artist shall not render services for any third party during a suspension, except that the Artist may render services to third parties during any suspension for a force majeure event, subject to the Producer's right to require the Artist to resume services on the Production on 48 hours' prior notice. The Producer shall have the right (exercisable at any time) to extend the period of the Artist's services and the running of all periods of time under this Agreement for a period equal to the period of such suspension.

14.2 This Agreement may be terminated:

- 14.2.1 immediately by mutual agreement between the parties;
- 14.2.2 immediately by the Producer if it is unable to obtain the equivalent of cast insurance for the Artist without exclusions and without payment of extra premium;
- 14.2.3 immediately by the Producer if an Artist Incapacity continues longer than 5 consecutive days or an aggregate of 7 or more days during the period of the Artist's services; however if such Artist Incapacity occurs during any period when the Artist's services are exclusive to the Producer including during the Principal Photography Period, then the said time period will be reduced to 3 and 5 days respectively;
- 14.2.4 immediately by the Producer if any event of force majeure as referred to in clause 14.1.1 continues for 2 or more consecutive weeks;
- 14.2.5 immediately by the Artist (and provided that the Artist has not in any way contributed to the force majeure event) if any event of force majeure as referred to in clause 14.1.1 continues for 12 or more consecutive weeks or an aggregate of 12 or more weeks during the term of this Agreement provided that any such termination notice shall be ineffective if within 1 week after notification the Producer discontinues such suspension and resumes payments to the Artist;
- 14.2.6 immediately by the Artist if the Production is abandoned or cancelled;
- 14.2.7 immediately by the Producer in the event of an Artist Breach and provided it is capable of being rectified (as determined by the Producer acting reasonably) the Artist has not rectified the same within 48 hours of notification of the Artist Breach;
- 14.2.8 by the Producer serving the Artist with the relevant Period of Notice as set out in the Key Terms if the Production is abandoned or cancelled for any reason prior to, during or following the Principal Photography Period;
- 14.2.9 by the Producer serving the Artist with the relevant Period of Notice as set out in the Key Terms if in the Producer's sole discretion it either: decides to temporarily or permanently delete the Role from the Production or the Role is subsequently terminated; or decides that the Artist is unable to perform the Role for any artistic reason. In such an event Artist may be required by the Producer to serve out

the Period of Notice or not serve out the Period of Notice provided however the Artist is paid the amount as due to them in respect of the Period of Notice.

- 14.3 In the event of termination of this Agreement and except for notice payable under clauses 14.2.8 and 14.2.9, the Artist will be entitled only to be paid for the Artist's services provided up until the date of termination, including payments already invoiced but not yet paid prior to the date of termination. In the event that the Producer then chooses to include within the completed Production visible footage of the Artist performing the Role then the Artist's share of any other non Fee entitlement (if applicable) will be determined by the Producer assessing the proportion that the Artist's performance in the Role in the completed Production bears to the performance provided by any substitute artist brought on to complete the Role.

## 15 CONFIDENTIALITY

- 15.1 It is an essential term of this Agreement that the Artist respect the confidential nature of all matters relating to the Production and the affairs of the Producer, in particular but without limitation, with respect to the script, cast, financial arrangements and technical processes involved in the Production.
- 15.2 The Artist agrees not to:
- 15.2.1 discuss any matters relating to the Production with third parties (excluding the Artist's Agent and/or professional advisors who are subject to obligations of confidentiality) including, but not limited to, on any social networking sites, without the prior approval of the Producer;
  - 15.2.2 give any media or other interviews or otherwise make any comment or express any view in public or capable of being made public with regard to the Production, the Producer or the Role, except where arranged by the Producer or with the Producer's prior written consent; and
  - 15.2.3 take any unauthorised photograph or pass on to or release to any person or post online any information or photograph or any item whatsoever that comes into the Artist's possession or control by reason of their involvement with the Production.
- 15.3 The Producer agrees to respect the privacy of the Artist and shall not disclose any personal information (for example medical information and phone numbers) regarding the Artist to any third party without the prior approval of the Artist, such approval to be in writing unless it is impractical to provide or obtain.

## 16 INDEMNITIES

- 16.1 The Artist indemnifies and agrees to keep the Producer, its associated, affiliated and related entities, parent, successors, assigns, licensees and each of their officers, directors, employees and agents (collectively, the **Producer Parties**) fully and effectually indemnified from and against any and all claims, judgments, losses, damages, costs and expenses (including reasonable outside legal costs and expenses) and liabilities and GST and interest in respect of the same (collectively the **Damages and Expenses**) suffered or incurred, directly or indirectly, by any Producer Party in consequence of any breach by the Artist of a material term or condition of this Agreement or negligence of the Artist.
- 16.2 Except with respect to matters arising from any breach by the Artist of any material term or condition of this Agreement or negligence of the Artist, the Producer shall indemnify the Artist against Damages and Expenses arising out of any third party claim against the Artist resulting from the Producer's use of the footage of the Artist's performance in the Production (other than with respect to any settlement, admission, offer, deal or payment entered into without the Producer's written consent or any claim or threatened claim of which the Producer has not been notified at the commencement of such claim). The Producer may elect to defend the Artist against any such claim in which case the Artist shall cooperate with the Producer and follow the Producer's reasonable instructions in connection with such claim.
- 16.3 The party receiving notice of any claim or threatened claim subject to indemnity pursuant to this Agreement shall promptly notify the other party. The Artist shall, in any event, notify the Producer within 7 days of becoming aware of any such claim or threatened claim.

## 17 ASSIGNMENT

- 17.1 The Producer has the right to assign or transfer this Agreement or any part of this Agreement to any third party for the purposes of making or exploiting the Production and any such assignment or transfer will relieve

the Producer of its obligations under this Agreement provided that such third party has entered into a covenant to observe, perform, fulfil and keep all and every covenant and condition on the part of the Producer as contained in this Agreement and if no such covenant has been secured by the Producer, then the Producer will remain primarily liable for all its liabilities and obligations as owed to the Artist under this Agreement.

17.2 This Agreement and the rights under this Agreement will inure to the benefit of the Producer's successors, assigns and licensees.

17.3 The Artist does not have the right to assign any of their obligations in this Agreement.

## 18 RIGHTS AND REMEDIES LIMITATION

18.1 The Artist acknowledges that in the event of any breach of this Agreement by the Producer any application to rescind this Agreement or to enjoin, injunct or restrain the production, distribution, exhibition, advertising or other exploitation of the Production would be excessively disruptive and unreasonably damaging to the Producer's and any third parties' interests in and to the Production and consequently the Artist agrees not to apply for any such relief and additionally waives the right to claim such relief and accepts that the recovery of damages in an action at law will provide a full and appropriate remedy for any loss or damage (if any) incurred by the Artist as a result of the breach.

## 19 UNIQUE SERVICES

19.1 The services to be provided by the Artist and the rights granted by the Artist pursuant to this Agreement are of a special nature which gives them particular value, the loss of which may not be reasonably or adequately compensated for in damages in an action at law, and the breach by the Artist of the provisions of this Agreement may cause the Producer irreparable injury and damage for which the Producer will be entitled to seek and obtain injunctive or other equitable relief. The granting of any equitable relief will not be construed as a waiver of any other rights of the Producer in law or equity.

## 20 AGENCY

20.1 The Artist confirms that the Agent is authorised to act on their behalf unless and until the Producer is notified in writing by the Artist otherwise. If the Artist notifies the Producer that they have removed the Agent's authority to act on their behalf then the Producer will ensure that the Agent is made aware of such notification.

## 21 OPTION FOR A SUBSEQUENT SERIES

21.1 If it is noted in the Key Terms that the Subsequent Series Option applies, then in further consideration for the payment of the Fee, the Artist grants to the Producer two exclusive and consecutive options, the first exclusive option (the **Series 2 Option**) being to retain the services of the Artist for the Role, subject to professional availability, in a second series of the Production, and the second exclusive option (the **Series 3 Option**) being to retain the services of the Artist for the Role, subject to professional availability, in a third series of the Production, on the following basis:

21.1.1 the Producer may at its discretion choose to exercise the Series 2 Option by notice in writing to the Artist at any time before but not later than the Series 2 Option Expiry Date, and the Series 3 Option by notice in writing to the Artist at any time before but not later than the Series 3 Option Expiry Date;

21.1.2 when exercising either option, the Producer will specify in the written notice the date from which the Producer will require the Artist to commence providing services for the second series of the Production (the **Second Series**) or the third series of the Production (the **Third Series**), as applicable, (the **Start Date**) as well as an indicative end date in respect of providing such services;

21.1.3 during both Option Periods (being the periods from the date of exercise of each option to the relevant Start Date), the Artist shall be entitled to accept other work, provided that such other work will not affect the exclusive provision of the Artist's services required from and including the Start Date for the Second Series or the Third Series, as applicable. Nothing in this clause 21.1.3 will affect any binding commitment by the Artist to do other work during the period of provision of his/her services for the Second Series or the Third Series which commitment was made before the Option Period for that Series;

21.1.4 the Artist shall perform services in respect of the Role for the Second Series at a rate that is equivalent to the Second Series Fee (as set out in the Key Terms) , and the Artist shall perform services in respect of the Role for the Third Series at a rate that is equivalent to the Third Series Fee (as set out in the Key Terms) ; and

21.1.5 unless otherwise agreed between the parties, the terms and conditions shall be on the same terms as set out in this Agreement (or any industry agreed modification of the same).

## 22 NOTICES

22.1 All notices under this Agreement must be in writing and will be served by personal delivery or by electronic or digital transmission. Service of any notice, statement or other paper will be deemed complete for personal delivery on actual delivery to the stated address (as recorded in the Key Terms for the Agent, the Artist and the Producer) and for electronic or digital transmission upon the sender's receipt of confirmation of delivery.

22.2 Except where no Agent is identified in the Key Terms, notice served on the Agent is deemed as notice served on the Artist and the Agent will be notified in each instance where notice is to be served.

## 23 DISPUTE RESOLUTION

23.1 Any doubts, differences, claims or disputes (the **Dispute**) which arise between the parties as regards any act, matter or thing in respect of this Agreement will be dealt with in the following manner:

23.1.1 referral as to the scope and nature of the Dispute will be made by a party in a written notice to the other party. The parties will seek a resolution by meeting as soon as reasonably practicable once the dispute has arisen. This should be within 24 hours (in the case a Dispute arises during principal photography) or within 3 working days (at any other time outside of principal photography) or such longer period as they may agree in writing. Either party may request an observer or representative to support and/or assist them at any stage. The "meeting" may be held by phone or teleconference if required.

23.1.2 If such parties do not reach agreement within 24 hours (in the case a Dispute arises during principal photography) or within 48 hours (at any other time outside of principal photography) or such further period as they may agree in writing after the meeting set out in clause 22.1.1, then the Dispute will be referred to a mutually agreed neutral and independent industry member as mediator, or alternatively the parties may appoint a mutually agreed independent professional mediation service who will endeavour to assist the parties to resolve the Dispute. The mediator will set the timetable (including the date by which the dispute resolution procedure will expire irrespective of whether or not the Dispute has been resolved).

23.1.3 If the dispute has not been resolved within the specified timeframe, then unless the parties otherwise agree, the dispute resolution procedure will terminate and each of the parties will be entitled to pursue such legal remedies as it thinks fit.

23.1.4 Except for the costs of the mediator which shall be shared equally between the parties, each party will pay its own costs associated with this dispute resolution procedure unless the mediator determines otherwise.

23.1.5 During the dispute resolution process the Parties will continue to perform all of their respective obligations under this Agreement.

23.2 Except as set out in clause 18.1 nothing in this clause will prevent either party from taking immediate steps to seek urgent interlocutory relief before an appropriate court.

## 24 SPECIAL CONDITIONS

24.1 Special conditions recorded in the Key Terms will apply to this Agreement and in the case of conflict between the Terms and Conditions and any recorded Special Condition, the Special Condition will take precedence.

## 25 APPLICABLE LAW

25.1 This Agreement is to be construed in accordance with the Laws of New Zealand.

## 26 ENFORCEABILITY

26.1 If there is any conflict between any provision of this Agreement and any present or future statute, ordinance or regulation or other law, the latter will prevail provided that the provision of this Agreement affected will no longer apply but only to the extent necessary and no other provision of this Agreement will be affected.

**27 PARTIAL INVALIDITY**

27.1 Should any part of this Agreement be declared or held invalid for any reason, the invalidity will not affect the validity of the remainder of the Agreement, which will continue in force and effect and be construed as if this Agreement has been executed without the invalid portion.

**28 WAIVER**

28.1 No delay, neglect or forbearance by either party in enforcing against the other any provision of this Agreement will be considered a waiver, or in any way prejudice any right, of that party.

**29 AMENDMENTS AND ALTERATIONS**

29.1 This Agreement contains the full and complete understanding between the parties with reference to the subject matter and supersedes all other prior agreements and understandings whether written or oral pertaining to the subject matter and cannot be modified except by written instrument signed by both parties.

30.1 The headings in this Agreement are solely for convenience of reference and do not affect its interpretation.

**31 COUNTERPARTS**

31.1 This Agreement may be executed in one or more counterparts (including facsimile copies, Tagged Image Format Files (TIFF) or Portable Document Format (PDF) copies) and provided that each party has executed a counterpart, the counterparts taken together shall constitute a binding and enforceable instrument between the parties.
